Re-opening Safety Protocols

The South Shore Art Center will be diligent in maintaining a clean and safe environment for your child.

- Masks will be required by everyone entering the studio, including all students and staff. If needed, a supervised "mask break" will be accomplished outside the studio.
- All staff members and students will have their temperature taken before entering the studio with a touchless thermometer. Anyone registering a temperature will not be allowed in.
- All common objects will be wiped down before and after each class. This includes, but is not limited to art supplies, bathroom, faucets, doorknobs.
- In an effort to minimize the number of people entering and exiting the studio, parents and/or guardians will be required to drop-off and pick-up their child outside the studio door.
- Gloves will be available but not mandatory.

We are limiting class size and rearranging the studio to allow for social distancing.

Our goal is to help your children get back to creating, expressing and enjoying the art experience.
